Subject: Jovanda Patterson

Seth,

As Agent Kenney is aware, and per our recent voicemail and e-mail to Officer Patterson, Jovanda's father's health has greatly deteriorated over the last few weeks including a terminal diagnosis and advancing liver cancer and pancreatic cancer, and just this morning Jovanda received word that it has taken a turn for the worst. As you can imagine, Jovanda desires to be with her father at this time, as he may pass this weekend. He is currently hospitalized in Visalia, California, and her family lives in Tulare, California. As such, we reached out to Officer Patterson and contacted Agent Kenney to seek emergency permission for Jovanda to travel to California. We were able to speak with Agent Kenney and he said it would be okay for her to fly out immediately. We will relay Jovanda's flight information to Officer Patterson as soon as possible and are available on our cell phones this weekend. Tim's cell phone is: 703 [REDACTED] and my cell phone is: 571 [REDACTED]

Thanks,  
Kristina
